Hi Max-

I've heard back from the ADA for my Pittsfield case on 1/3/11 and she is going to have me on call since she is under the impression that the case will continue, so I will most likely be available if you need me. I've explained to her that I am on call for Holyoke too and, that if both cases are a go, I would most likely be going to the Holyoke case first and then try to get to Pittsfield after the lunch break (or even sooner). Just keep me informed if you are going to need me so I'll know what to tell her when she calls. Thanks.
